

BSN 2017

Body Sensors
Network Conference

High Tech Campus
Eindhoven, The Netherlands

May 9-12, 2017

Call for Late-Breaking Research Abstracts & Demonstrations

Important Dates:

Late Breaking Submissions Due:
March 20, 2017

Decision Notification:
April 3, 2017

Conference Dates:
May 9-12, 2017

This category is not intended to offer a second deadline for regular paper submissions and the following rules apply:

- Abstracts should be no longer than 500 words.
- Abstracts should follow the IEEE PDF Abstract Submission Format. <http://bsn.embs.org/2017/author-instructions/>
- Abstracts will not be included in the conference proceedings and the IEEE Digital Library
- A limited number of accepted submissions will be chosen for rapid-fire oral presentation in addition to poster sessions

To submit, visit: <http://bsn.embs.org/2016/author-instructions/> and scroll to the bottom of the page and click on Papercept System.

For questions, please contact: **Daniel Teichmann: teichmann@hia.rwth-aachen.de**

Top Keynote Speakers!

Dr. Ravi Kuppuraj, PHD MBA
Business Leader
Connected Sensing, Philips
Boston, USA

Dr. Ralf Brederlow
Manager Kilby Labs
Texas Instruments
Freising, Germany

Prof. Dr. Thomas Lenarz
Chairman & Clinical Director
Dept. of Otorhinolaryngology
Hannover Medical School
Germany

Prof. Dr. Pim van der Jagt
Executive Technical Leader
Ford Research & Advanced
Engineering
Aachen, Germany

Prof. Dr. Jochen Klucken
Dept. of Molecular Neurology
University Hospital Erlangen
Friedrich-Alexander-University
Erlangen-Nürnberg, Germany

Prof. Felip Burgos
PhD, MsC, RPFT, RN
Respiratory Diagnostic Center
University of Barcelona
Barcelona, Spain
